## Standing Ovations for the Lower School Summer Show

Two sell out performances for the first ever lower school only show which proved to be a fantastic success all round.

All of the dancers danced their hearts out to give me, and all of the mums and dads, something to be really, really proud of. They all worked so hard preparing for the big day and that really showed in both performances. Well done girls!

**DVDs of the performance are available and will be ready to collect at the beginning of next term.**
